ROEDEAN

CHARGES FOR EXTRA ACTIVITIES 2023-24

The School aims to provide a wide variety of activities for all girls within the curriculum and in the extra-curricular programme without additional charge. However, the School also makes regular provision for specialist individual, shared or group tuition that is paid for as an 'extra'.

- In order to apply for extra activities, please use this link to submit your application form <https://roedean.wufoo.com/forms/tuition-for-extra-activities-application-form/>
- Extras involve an additional time and financial commitment and girls may not take up extra subjects without joint approval of parents and their Head of Year/Tutor. Girls must be able to meet all their commitments fully.
- Every effort will be made to make up lessons missed for any reason, but when a lesson is missed through no fault of the teacher concerned the School cannot guarantee that lessons will be made up, and under these circumstances the normal charge will be made.
- **Please notify the Head of the relevant department in writing if subjects/activities are to be discontinued.**
- Since payment has to be made to the teachers concerned, subjects/activities may only be terminated at the end of a term, for which a half of one term's notice in writing is required. If a subject/activity is discontinued during a term, the whole of that term's charge will be payable. Girls may not themselves negotiate withdrawal.

A term's fees will be charged if correct notice is not given.

2023-24 Academic Year	Date By Which Notice Must Be Given	Date By Which Lessons Will End
Autumn Term	17 October 2023	8 December 2023
Spring Term	9 February 2024	22 March 2024
Summer Term	24 May 2024	28 June 2024

- Please note that lessons will automatically continue in the next academic year unless notice is given in line with the table above.
- If a pupil is signed up to a group or shared lessons and the number of participants reduces, the cost will be maintained at the original level for one full term.
- Lessons/periods will be of 30 minutes duration unless stated otherwise.
- Music lessons can be 30 minutes (standard), 45 minutes (intermediate) or 60 minutes (advanced). Pupils are required to sign up for the level of their choice (standard, intermediate or advanced) at the start of each term and remain with that level throughout the term. Additional charges will be made for music examination piano accompaniment.
- Ballet and Dance lessons are double Periods, and the charges will be for lessons of 60 minute duration.
- English as an additional subject will be lessons of 50 minute duration.
- Tennis lessons are double periods, and the charges will be for lessons of 60 minute duration.
- Tennis - during the Autumn and Summer Terms there will be group beginner lessons taking place. There is limited availability for this activity.
- The Duke of Edinburgh costs are inclusive of termly fees, weekly training sessions and expeditions, as well as a welcome pack. No further money would normally be requested from parents for the award.
- The minibuses charges incorporate a fuel surcharge, and if there is a significant downward movement in transport running costs during the academic year 2023-24 then this would be reflected in the cost.
